SEEK AND FIND: IN THE WOODS

Instructions: The goal is to see how many of these things you can check off the list. Next to the “find” write the time, date and location (park name or street…) of where you found these items. Draw a picture of your favorite one on the back and circle the three that surprised you in some way. Please don’t take anything from the woods, only your notes.

- River Rock
- Heart-Shaped Rock
- A Shiny Rock
- Mossy Rock
